

## Download *Fair Play* for PC/Windows

<p>1. Go to the webpage  <a href="http://fairplaygame.org/demo/">http://fairplaygame.org/demo/</a></p> <p>2. Click the <b>Windows</b> button at the bottom of the webpage (image to the right is what the bottom of the webpage looks like)</p>	
<p>3. Once the Windows button is activated the FairPlay_Installer.exe will begin to download.</p>	
<p>1. After the file has downloaded you may see a warning about the install program being potentially dangerous.</p> <ol style="list-style-type: none"> <li>The file is safe and to use it you must click on the <b>down arrow</b> (small upside down triangle) to the right of the Discard button.</li> <li>Highlight and select the <b>Keep</b> option and the installer will be available for use.</li> </ol>	
<p>2. Once the software has finished downloading and available, click on the <b>FairPlay_Installer.exe</b> file to start the setup process.</p> <p>3. At this time your computer may request verification that this program is safe to open. Clicking <b>Run</b> will allow the game to install on your computer.</p>	

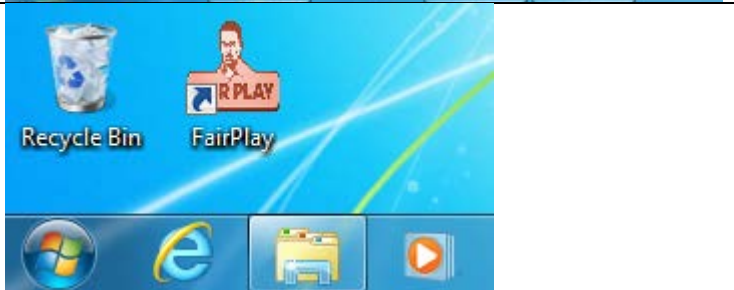

4. At the end of the setup click **Install** to finish the setup and start install.

5. Start *Fair Play* by selecting the game from the Windows start menu.

6. OR start *Fair Play* from the Fair Play short (if you created it during installation)
